

BUSY BEES

CLEANING & MAINTENANCE 2000 LTD.

IN 1998, best friends Amy Welch and Caron Henwood from Frome decided to set up their own cleaning business in the town, offering a good quality service at honest prices.

Both Caron and Amy are passionate about Frome and do all they can to support the town. They were born here, and they met at Oakfield School as youngsters. It was a natural progression for them to go into business together, having been friends for many years and both wanting to run their own company.

When Busy Bees first started trading, neither Caron nor Amy realised just how popular the business would become. From its conception, Busy Bees has evolved from undertaking small domestic cleans to offering a comprehensive range of cleaning services for both domestic and commercial purposes, and even have their own range of branded cleaning chemicals as well as a fleet of vans!

Amy and Caron believe that some of the success of the Busy Bees is due to the fact that the company works closely with other local businesses and have, over the years, established good working relationships with estate agents, letting agents and other high profile Frome companies.

Recently Busy Bees have been living up to their name - expanding the business into other areas, setting up a brand new website and also launching their own branded products.

Amy said: "The company prides itself in providing a flexible schedule, while offering a wide range of services to our clients. Services include: domestic cleaning, commercial cleaning, upholstery and carpet cleaning, ironing, garden maintenance, emergency cleans, one-off cleans, spring cleans, builders' cleans and sale of branded products.

"We carry out a free on-site visit to discuss your needs as we walk round your property, before any work is carried out. Simply contact us to claim your free, no obligation on-site quote now. If you have a busy schedule and never have time to clean your home then why not leave it to us?"

"Our aim is to provide you with the same cleaner for each regular visit; this provides the necessary continuity of service and builds up the pride in their work, which our clients benefit from. In the event that your cleaner leaves, or you're not happy, we will re-allocate a new member of staff to you. Your cleaner is responsible for making her own way to and from your home."

What jobs are the cleaners prepared to do?

- Dusting, cleaning, vacuuming, skirting boards, inside windows and doors, kitchen and bathroom, toilet areas, ironing etc

- Should you have any other specific requirements, please call our office and we will be happy to assist you where possible.

Office/Contract Cleaning

- Minimum contract undertaken is two hours per visit.
- We employ our cleaners directly and not from agencies, we also make sure all staff are fully vetted prior to employment. All staff are uniformed, and fully insured and we recruit staff locally based to the contract.

Spring clean

- As well as our other services, we offer a spring clean/total clean which is aimed at end of tenancy or pre-tenancy, for sale or simply because you require a spring clean throughout your property.

Other cleans we have undertaken :-

- Before and after home weddings/Christenings/birthday parties, property for sale, moving in new property cleaning, builders' cleans/renovation cleans, landlord pre-tenancy and end of tenancy, new baby arriving home.

If your type of cleaning requirements have not been listed above, please feel free to contact us to discuss further.

Gardening and garden maintenance

- General up-keep of lawns, flowers watered, keeping borders weed free, shrubs pruned, grass cutting & strimming (large or small areas), patio cleaning, hedge trimming and planting, shrubs & roses pruned, vegetables plots created, planted and maintained, garden makeovers

- This is an ideal service in the summer to have more time to enjoy your garden or in the winter as there is nothing nicer than a well kept garden to admire from afar. Regular or one-off contracts are undertaken

- We carry out garden makeovers if you are selling or renting out your property or just taming your wilderness! Plants or shrubs you have purchased can be planted for you.
